Subject: Complain against the habit of Sri K.N.Rai, DGM (MS-Admn) using Un-parliamentary and abusing language with sub-ordinates officers.

Sir,
We would like to draw your kind attention, on the above mentioned subject, Sri K.N.Rai, DGM (Ms-Admn) O/o GM (NWO-CM) Patna using Un-parliamentary and abusing language during discharge their duty with his sub-ordinates habitually.

It seems that the intention behind the act of Sri K.N.Rai is to de-motivate and provoked the work force, which indirectly affects the productivity of the officials. Hence, the act of Sri K.N.Rai some where affects the Growth and Development of BSNL Bihar Circle.

It is also the habit of Sri Rai to disregard with association representative, when ever they try to resolve any issue in the interest of BSNL with Mobile administration, Patna.

It is further to submit that, today again he used foul language with his sub-ordinate officers during one day dharna program called by United Forum of BSNL Executives Association CHQ. Today, again he threatens the JTO/SDE of NMS, Patna working at their desk.

Overall the activities of Sri K. N. Rai seem to be against the interest of BSNL in general and Bihar Circle in Particular. It has also been observed that his above activities has increased in many folds from the date of end of his deemed deputations in BSNL as per DOT instructions.

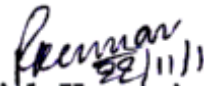

The united forum of BSNL EA, Bihar Circle demands to immediate relieving of Sri K.N. Rai from Bihar Circle to maintain industrial peace & harmony and to save the interest of BSNL Bihar Circle. Otherwise, we will be compelled to initiate trade union activities with very short notice.

We do hope that the Circle Administration will take note of the fact and take necessary steps immediately.

With Warm Regards.
